Palatine CC School District 15 is appealing the Form 472 (BEAR) Notification letter dated March 27, 2015, Invoice Number 2142767 in relation to 471 application number 960994.

This is in regards to CC Docket No. 02-6

Reason for Appeal

Palatine CC School District 15 was emailed on March 10, 2015 during the PIA review process requesting additional information on FRN 2611013 and FRN 2610991 (SPIN 143001192). The BEAR form 2142767 was for a biannual payment. Information was then emailed back to the reviewer; unfortunately the requested bills were not attached. The PIA reviewer did not respond in any way stating the bills were not received, which was a departure from working with various PIA reviewers previously as some of them had asked follow up questions to our responses to their original questions. The form 472 was declined the funding for these two approved FRNs.

Unfortunately, the 472 form was misplaced to the side for some time when it was then noticed funding for these FRNs was not received for the first biannual payment.

The second biannual payment (BEAR form 2216193) of these FRNs were funded however without having any requests for additional billing information during the PIA review.

Relief Sought

Palatine CC School District is seeking to get Invoice Number 2142767 approved and funded. We have included the worksheet originally emailed and related documents. The FCC online submission site has limits on the file size submission and thus everything is included except the PDFs of the AT&T invoices for the period this covers. An attempt was made to submit invoices online as well but the size was just too large. As such District 15 is submitting our request for relief and can provide the AT&T invoices upon review of our appeal.

Also, it should be noted that District 15 sent all of the necessary documents to the address listed in the USAC Appeal Decision Letter, which was FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Our overnight UPS package was sent on Friday, March 4th, 2016. In transit, UPS changed the delivery to another address; FCC, Office of the Secretary, 9300 E Hampton Dr, Capitol Heights, MD 20743. UPS cited the original address which was provided by USAC as the wrong address for delivery. The package was delivered and signed for on Monday morning, March 7th, 2016 by "Berger". I'm attached PDFs of the UPS notifications.

In addition to the paper version filing attempt via UPS, the District is submitting this appeal request via the FCC's online submission to ensure our appeal is received within the necessary timeframe. Please let us know if there is anything else that is needed from District 15 to move this appeal along.
